Faith Council Meeting Minutes

Date: Tuesday 3rd November 2026
Present: Mrs Sampson, Bethany, Grace, Imogen, Kennedy, Lottie, Noelia, Seth and Zoe

1. Welcome Back to Faith Council
Mrs Sampson welcomed everyone back and apologised for forgetting the meeting yesterday. She reminded us that we can always give her a friendly reminder if we have a meeting planned.

2. Our New Faith Council Logo
Imogen shared her fantastic logo design, which included a cross, four stars and our school motto around the outside. We all agreed that we would love to use Imogen's design as our official Faith Council logo. We decided to change the design slightly so that it has eight stars, one for each pupil on our Faith Council.

Action: Mrs Sampson will scan Imogen's design and create a digital version with eight stars.

3. Our Faith Council Club Logo and Name
Bethany, Zoe and Noelia shared some wonderful logo ideas for our club, including a heart, a tree with people around it and a Bible.
We voted for our favourites!

- **Tree design:** 5 votes
- **Bible design:** 3 votes

We decided to try combining the tree and Bible designs to make one special club logo. We also talked about the name of our club and agreed on Faith Council Club. We want everyone to feel welcome, whether they have a faith or not.

Action: Mrs Sampson will create a digital club logo combining our favourite ideas and bring it back for us to see.

4. Faith Council Club Certificates
We talked about making special certificates for children who attend our Faith Council Club. These could be given out during Friday's assembly.

Action: Lottie, Grace, Kennedy and Seth will bring their certificate designs to our next meeting.

5. Planning Our Faith Council Club
We started thinking about exciting activities for our club. We thought it would be a great idea to have different activities each week so that everyone can choose something they enjoy.
Our ideas included:

- **Creative activities:** Art, colouring and crafts linked to Bible stories.
- **Active activities:** Games and practical challenges.
- **Story activities:** Watching Bible stories or acting them out together.

We especially liked the idea of letting children take part in acting out Bible stories.

Action: Everyone should think of fun activities and Bible stories we could use at our club. We will make a big list so that we can try different ideas each week.

6. Leading Our Own Assembly
We talked about Faith Council leading one of our school assemblies. Mrs Sampson will look at the Thursday assembly dates and find a suitable time for us to lead our first one.

Action: We will discuss our first Faith Council assembly at our next meeting.

7. Our Next Meeting
Monday 23rd November 2026 at 3pm in Mrs Sampson's office.
Thank you to everyone for your brilliant ideas and teamwork.
