World Diabetes Day – Tuesday 14th November

A brave member of our school, who has Type 1 diabetes, asked if the school could work together to raise some money for Diabetes UK. This year, Diabetes UK are hoping to turn the UK blue, and are inviting everyone to paint their nails blue for a 50p donation, so that people living with diabetes know they are not alone. We have the varnish ready to go and are looking forward to painting everybody's nails blue. You can also show your support by pre-purchasing a wristband. These are £1 and payment must be given in by Monday 6th November. Bands will then be given out on the day. Thank you to everyone for supporting this event.

Odd Socks Day – Monday 13th November

Odd Socks Day will take place on Monday 13th November and this marks the start of Anti-Bullying Week. It's a great way to celebrate what makes us all unique! All the children need to do is wear odd socks. The children will be completing a range of other activities and lessons throughout the week, all linked to the theme of Anti-Bullying. We look forward to seeing all the colourful odd socks!

Pantomime Visit – Jack and the Beanstalk

A huge thank you to the PFA who organised, and paid for, M&M Theatrical Productions to come and perform a pantomime to the whole school on Tuesday afternoon. Our school hall was transformed into a magical theatrical experience and the children were treated to a wonderful performance of Jack and the Beanstalk. The pantomime was packed full of fun, adventure, colour, music and special effects. It was lovely to see the children cheering, booing, singing and clapping along. As you can see from the picture above, we even had a special appearance from Mrs Plummer and Mr Jackson who helped Jack's mum to perform some 'interesting' dance moves! It was such a lovely treat for the children to watch live theatre in school and equally lovely to see the door to their imaginations wide open. A big thank you, once again, to our school PFA.
