Making Waves with Rupert from RNLI

This week, our Year 2 and KS2 pupils had an exciting visit from Rupert of the RNLI. Rupert dove into the important skill of FLOATING, teaching our children a crucial life skill. Floating helps keep the airway clear if you ever find yourself in water trouble, giving your body time to adjust to cold water shock. Our curious children listened attentively and fired away with lots of great questions, showing their eagerness to learn and stay safe. Well done everyone.
