Summer Term (Week 6) – Friday 24th May 2024

Evie and Chloe's Inspirational Walk

We are delighted to spotlight the remarkable walk undertaken by two of our pupils, Evie and Chloe, alongside their mum. Last Sunday, Evie and Chloe joined their mum for a memorable 6.5-mile walk from Hollesley Bay to Felixstowe Golf Club. This marked the culmination of a 60-mile walk from Lowestoft to Felixstowe. Walking in memory of their grandad, the girls showcased incredible determination and resilience as they walked alongside the Hadleigh Baptist Football Team. The walkers raised an impressive £7500 for the Great Ormond Street Craniofacial Team and Cancer Research. Chloe was the youngest walker in the group, demonstrating remarkable spirit and commitment. Both Evie and Chloe have exemplified the values of compassion and community that we cherish at our school. We extend our heartfelt congratulations to Evie and Chloe for their outstanding achievement. They are an inspiration to us all.

Stag Beetle Habitat Takes Root

This week, Year 5 had a special visitor. Emma Black, a National Landscape Countryside Projects Officer, visited Year 5 to construct a unique habitat for Stag Beetle larvae. Using logs, the children created a pyramid structure that will provide a welcoming environment for stag beetles as the wood initiative complements the school's efforts to develop our outdoor spaces, including planting trees for our Forest Schools area.

A big thank you to Emma for her support. Well done, Year 5, for championing the creation of Stag Beetle habitats. Your efforts are making a real difference in nurturing biodiversity right here at East Bergholt Primary School.

Join Our PFA and Make a Difference

Your help is needed to keep our PFA going. The Parents and Friends Association (PFA) is looking for enthusiastic volunteers to help plan school discos, fayres, wacky wardrobe days and more. These events not only bring us together but also raise essential funds for enriching activities for our pupils. Join us in creating memorable experiences and supporting our school community. Contact the school office to get involved!

WOW Day

What a fantastic day it was today as our school came alive with the vibrant colours and textures of nature! Parents and children took part in lots of engaging activities that celebrated the beauty of the great outdoors. From crafting intricate nature mobiles and pictures, Andy Goldsworthy's awe-inspiring art installations outside, sculpting clay animals and tree faces or printing with leaves our pupils and their families unleashed their creativity. We want to extend our heartfelt gratitude to all the parents who joined us on this nature journey today. Your presence and participation made WOW Day truly special. Here's to many more adventures in the great outdoors!

Important Dates Coming Up

Monday 3rd June (onwards)

Multiplication Tables Check for Year 4 pupils

Monday 10th June (onwards)

Phonics screening check for Year 1 pupils

Wednesday 10th July

Whole School Sports Day (morning and lunch)
