School Vegetable Garden Blooms

Now that the warmer weather is finally with us, the school vegetable garden is coming to life. The children have enjoyed planting raspberries, broad beans, potatoes, radish and chard. The gardening club runs every Thursday lunchtime and children from all years are welcome to join. The garden is run by volunteer parents and they would welcome help from any other parents or carers who would like to get involved, either with the Thursday lunchtime sessions or with weeding and watering at other times. Please let the school office know if you would have any time to help. Thank you.

Meet Mrs. Clements - Our School's ELSA!

Exciting news! We're thrilled that Mrs. Clements recently qualified as our new Emotional Literacy Support Assistant (ELSA). Mrs. Clements, is specially trained to provide emotional and social support to pupils, guiding them through the challenges of school life with resilience and confidence. From one-on-one sessions to group activities, she'll help our children navigate school life with resilience and confidence. Well done on your recent qualification Mrs Clements.

Successful Pop-Up Plant Sale

We're thrilled to extend our congratulations to Bella and Emily for their fantastic initiative on Thursday after school. The duo organised a delightful pop-up plant sale, featuring an array of beautiful plants for our community to enjoy. Their hard work not only earned them their Brownie Charities badge but also contributed to raising funds for worthy causes, including Shelter, the Fritton Owl Sanctuary and our school's PFA iPad campaign. Well done, Bella and Emily, for your dedication and commitment to making a positive impact in our community!

Ducklings Visit

The Reception class had a delightful surprise on Wednesday as they welcomed some adorable visitors – ducklings! The classroom buzzed with excitement as the children had the opportunity to observe and interact with these fluffy newcomers. The experience provided valuable learning opportunities about life cycles, animal care and empathy for living creatures. We're grateful for the visit, organised by Young Explorers nursery. The visit was amazing for our young learners, fostering curiosity and a love for nature from an early age. Here's to more memorable moments ahead in our Reception class!

Get Caught Reading: Where's Your Wildest Reading Spot?

Calling all book lovers! Miss Scott has thrown down the gauntlet and is on the hunt for some seriously epic reading pictures. We want to see you and your favourite book in the most outrageous, wacky, and downright hilarious spots you can find! From reading atop a horse to getting lost in a book while buried in sand, we've already seen some wild entries. And guess what? The most daring reader will win a £25 book voucher! So, whether you're scaling trees or chilling in the swimming pool with a novel in hand, let your imagination run wild and show us where your love for reading takes you. The crazier, the better! Get those cameras ready and get caught reading in the most unexpected places. Let's turn the ordinary into extraordinary with our reading adventures!
