Summer Term (Week 3) – Friday 3rd May 2024

Empowering Assembly

On Thursday our assembly was absolutely amazing. Jayden, Lilly, and Mrs. Tuttlebee took the spotlight to talk about ADHD, and it was truly eye-opening. Jayden and Lilly shared their own experiences, which took real courage. They stood up at the front of assembly to speak to everyone, including the adults, and spoke about something so personal! They showed us that having ADHD isn't a setback—it's a superpower! They talked about how it feels and all the amazing skills it brings, as well as some of the challenges. It was a true celebration of what makes us unique. Thanks to Jayden and Lilly we all felt more accepting and empowered. Let's keep embracing our differences and spreading the positivity! Well done Jayden and Lilly, we are very proud of you both.

Parking Consideration: A Friendly Reminder

A quick reminder to please park considerately with our neighbours and pedestrians in mind. Your cooperation ensures the safety and convenience of everyone in our school community. Thank you.

Important Dates Coming Up

Monday 13th May 2024

Year 6 Production evenings

Wednesday 17th July

Meet with teachers & collect pupil books

Friday 19th July – Last day of term

Year 6 Leaver's Service at the Church (09:30)

A Day of Inclusive Sports Fun!

Exciting news from Tuesday! Ipswich Town Football Club Foundation paid us a visit, and it was a great day! They organised a full morning of activities for pupils in years 3-5, along with a special assembly for everyone. The focus of the day was promoting disability in sports, inclusion and equality through the Super Movers for Every Body initiative. This initiative is all about getting everyone involved in sports, regardless of ability, and it's a collaboration between the Premier League, GB Paralympics and BBC Teach. The activities were not just fun but also meaningful, showing us all the different ways we can enjoy sports together. Huge thanks to ITFC for making it happen!

Sunny Days Ahead

As the summer season approaches, it's time to prepare for the sunny days ahead while ensuring the children stay well protected. With temperatures rising, please remember to equip your child with a sun hat to shield them from harmful UV rays. Additionally, applying sunscreen in the morning and sending in an easy to apply sunscreen to prevent sunburn and protect delicate skin. Hydration is key during hot days, so please encourage your child to carry a water bottle and drink plenty of fluids to stay refreshed and healthy. We are looking forward to a memorable summer term full of fun-filled outdoor activities.

Productive Parent Forum Meeting

A big thank you to all who came to the Parent Forum meeting on Wednesday at 18:00. It was wonderful to come together to share ideas and listen to suggestions for improvement. For those who couldn't attend, the minutes of the meeting are now available on the school's website. Thank you to everyone for your contribution and support.
