Spring Term (Week 10) – Friday 15th March 2024

Residential Recap: A Week of Adventure and Fun!

The Year 6 recent residential trip was nothing short of spectacular! Our adventurous Year 6 children had a blast trying out various activities, from heart pounding zip wires to navigating the waters in canoes. River jumping added an extra thrill, making every moment an unforgettable experience! As the sun set, the excitement didn't stop. Evenings were filled with laughter around campfires, impressive talent shows and thrilling scavenger hunts. It was fantastic to see our children showcasing their talents and bonding with their peers. A huge round of applause goes to our dedicated staff members who made this trip possible. Their enthusiasm, guidance, and care ensured that our children had a safe and enjoyable time throughout the adventure. After days filled with action-packed activities, it's no wonder the children returned home feeling exhausted but content. They were thrilled to reunite with their own beds. On Thursday it was lovely to hear the children reminiscing about the amazing memories created during their incredible few days away. We can't wait for the next adventure!

Trying Tag Rugby!

On Friday 1st March, our Year 6 girls took part in a tag rugby tournament in what could be described as some very challenging weather! The strong wind and heavy rain meant a delayed start but luckily they did manage to play two matches before the event was called off. Mrs Parton, our Sports Coach, was very impressed with all of the girls who, despite the difficult conditions, still wanted to take part and played some very good tag rugby. Well done, we are very proud of you.
U11 team: Evie, Grace, Holly, Lana, Lily, Nellie, Poppy, Raahini, Skyla

A mention as well to our U9 tag rugby team who were due to play in the afternoon. They were all clearly disappointed not to be able to go, having played so well in the coaching sessions. However, Mrs Parton was very impressed by how maturely they accepted the news. We are waiting to hear if the event will be rearranged.

U9 team: Amber, Antonios, Dacia, Daisy, Dominic, Evie, Harry, Oscar, Ruben, Wren

Football Excellence

Looking smart in their football shirts, eight year 5 girls arrived at Portman Road last week for a mini football tournament. Hosted at Ipswich Town's football stadium the girls showed off their skills and played some lovely passing football. Very strong defensively and in attack, they scored goals and played well as a team. An impressive performance. Well done girls, you represented the school very well.

Important Dates Coming Up

Monday 18th March 2024

Non-uniform day for Easter egg donation

Monday 18th March 2024

Mock SATs week for Year 6 pupils

Wednesday 20th March 2024

Monday 22nd April 2024

Earth Day in school

Monday 13th May 2024

SATs week for Year 6 pupils

Celebrating Red Nose Day!

Our school was buzzing with excitement as children donned their red noses and joined in the fun for Red Nose Day today! From funky dance moves at our lunchtime disco to creative red nose designs, our children embraced the spirit of giving back. A big thank you to everyone who participated and helped make a difference for those in need.
