Spring Term (Week 6) – Friday 9th February 2024

Year 1 - Taste Testing and Rainbow Wraps

In DT, Year One have been learning about Food and Nutrition. The children taste tested a range of food and had to categorise them under sweet, salty, sour, bitter or spicy. Some of the foods were liked by the children better than others! They also made some delicious and healthy Rainbow Wraps which included skills such as grating, cutting the vegetables with a knife and wrapping the tortilla. Great learning year 1.

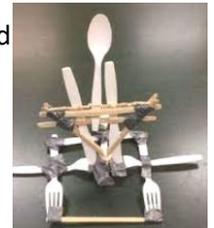

Year 4 – Norman Knight Visit

Year 4 had a wonderful experience on Friday 2nd February, when a real life Norman knight came to visit the class dressed in full battle armour. He taught the class what life was like for a Norman noble after the battle of Hastings. The class loved quizzing Sir James of Normandy, and were fascinated by all of his wonderful tools. They even got to see him fire a cross bow he had made by hand. Next Sir James took year 4 outside and formed them into two shield walls. Year 4 looked rather intimidating I must say. However, what was supposed to be two orderly lines soon sprang into chaos as, without waiting for the order to charge, both lines broke rank and ran at each other. Everything was pandemonium. Safe to say it was a relief when Sir James and Mr Scott took the class back to the classroom and taught them about the Bayeux Tapestry. A great event.

Year 3 Class Assembly

The children in Year 3 were so excited to have such a large number of parents come and watch their class assembly this week. The children shared their learning including a live demonstration of their maths measuring skills, where they compared the height of two siblings. They converted this difference to mm on the spot in front of the whole school with accuracy and speed. They also shared their brilliant ball control in hockey. In true Year 3 style, they fired catapults into the audience and shared their technical vocabulary describing the fulcrum. The assembly culminated with the children's Matilda dance. The assembly showcased what amazingly talented and mature pupils they are, delivering their lines with clarity and confidence. We are incredibly proud of them all!
