Pre-Loved Clothes Rail

In the foyer of the school, we have a pre-loved rail. You are welcome to take what you like. All we ask is that you make a small donation towards the school. If you have any uniform that your child has outgrown, we would welcome any items to add to our pre-loved rail. Thank you in advance.

Year 6 Assembly

The whole school, and our Year 6 parents, were treated to a brilliant class assembly by our Year 6 pupils on Wednesday. The children taught us about HMT Empire Windrush which docked in Tilbury, Essex, carrying passengers from the Caribbean to the UK. We saw fantastic demonstrations of gymnastics and tag rugby as well as some excellent portraits of Frida Kahlo, who was famous for painting women as strong people. The children re-created the circulatory system in front of our very eyes, accompanied by a detailed explanation. The assembly was finished with a groovy song, performed by all of the Year 6 pupils called 'Disco Fever' - and it was captivating to watch our Year 6 pupils perform their best disco dance moves. Well done to everyone involved – we are very proud of you all.

School Disco

It is time to dig out the party outfits and put on your dancing shoes for the school Winter Disco. This will take place on Thursday 15th February 2024. The Reception and Key Stage 1 disco will take place from 17:00 – 17:45, and the Key Stage 2 disco from 18:00 – 18:45. In order to make the disco financially viable the PFA are asking for a voluntary contribution of £3.00 per child. This will include a drink of squash, a packet of crisps, fruit and popcorn. The children will be able to bring along some spending money to have their nails painted or get a glitter tattoo. All funds raised will go towards buying a class set of iPads for the children. We look forward to seeing you all there.

Pantry in the Porch

St. Mary's Church has a *Pantry in the Porch*. Every day, the church porch is open 24/7, for people to either donate food or take what they need. If you are able to buy a little extra in your weekly shop, the church are interested in the following items: pasta, cereals, tinned meat/fish, soups, tinned vegetables, tinned fruit, nappies, toiletries and drinks. The school will be supporting the initiative by having a box in the reception area to donate items which will be regularly transferred to the church porch. Thank you to everyone who can help.

Dodgeball Success

Our Year 5 dodgeballers showed just how strong they are at dodgeball when they won six of their seven matches at an event this week. Playing against mainly year 6 children, they worked together to produce some amazing throwing and catching, all with great sportsmanship skills. They were a credit to the school. Well done everyone!
