Autumn Term (Week 11) – Friday 21st November 2025

Super Sports Stars Shine

On Thursday, our Under 11 Boys' Football Team took part in a fantastic seven-a-side tournament at Whitton Sports Centre. They played with brilliant determination, showing amazing sportsmanship throughout. Even though they lost three games and drew one, they kept their spirits high, supported each other and represented our school wonderfully. We are so proud of them! And today, our Under 8s Dodgeball Team headed to Ipswich Sports Centre, where they threw themselves into the competition with enthusiasm, teamwork, and superb sportsmanship. They

were a joy to watch and once again showed what fantastic ambassadors they are for our school.

A huge well done to all our young athletes for a brilliant week of sport!

Attendance Heroes

Well done to our attendance Heroes this week!

Class	Attendance	Class	Attendance
Reception	95%	Team 4	94%
Team 1	98%	Team 5	93%
Team 2	96%	Team 6	96%
Team 3	97%	All Suffolk Schools	95%

A Spectacular Showcase from Team 5

A huge well done to Team 5 for their brilliant assembly this week! They whisked us

away on an adventure with Sir Ernest Shackleton, bringing the famous explorer's journey to life in the most creative ways. From testing friction to find the best boots for icy expeditions, to writing persuasive letters applying to join Shackleton's crew, their hard work really shone through. We were also treated to impressive live science demonstrations on separating materials and some fascinating history learning about the Ancient Greeks. A definite highlight was their fun rap about the Greek Gods—a truly memorable moment that had everyone smiling! Team 5, you were fantastic—what a wonderful celebration of all your learning!

Team 3 Map Their Way Around the Village

Team 3 had a brilliant time on Wednesday exploring our village as real geographers! They set off on a walk to

spot different features in the local area — from roads and buildings to green spaces and footpaths. When they arrived back at school, the children used everything they had seen to create their very own sketch maps, plotting their route and labelling the landmarks they had discovered. It was a fantastic way to bring their learning to life and to practise the skills of observing, recording and mapping the world around them.

Important Dates Coming Up

27th November

WOW Day – Inventors and Inventions (all welcome)

4th December

Christingle Service in school (children only)

5th December

Reception tours for prospective new pupils 14:00
