Making Changes Happen in Team 2

Team 2 have been busy thinking all about *change* this week in PSHE! The children loved looking back at how much they've grown since starting school – from being smaller and learning to read, to getting better at maths and being kinder to others. They discovered that some changes just happen as we grow (hello wobbly teeth!), while others happen because we *choose* to try harder and keep practising. There were lots of smiles, thoughtful reflections and proud moments as the children realised just how much they can make change happen themselves!

Wanted – The Big Bad Wolf

This week in Team 1, the children have been on the hunt for the Big Bad Wolf, who has been accused of getting up to mischief on the school field. After learning about what he had done, the children created 'Wanted' posters to help others identify him. These are now displayed all around the school, but the wolf is still at large. Keep a look out in case you spot him.

Celebrating our Super Writers

This week we were delighted to welcome Mr Cooper from the Local Authority, who spent time visiting classrooms and looking at our writing lessons. He was incredibly impressed by how confidently the children talked about their learning, explaining what they were working on and how they have been improving their writing. Mr Cooper also really enjoyed reading the children's work and seeing the care, effort and creativity they put into it. We were extremely proud of how well our pupils represented the school, both through the high quality of their writing and the thoughtful way they spoke about their learning.
