Team 2 Explore Kenya

Team 2 have been busy writing non-chronological reports all about Kenya. They have learned how to organise information using headings and paragraphs and have included lots of interesting facts about the country's landscape, wildlife and people. The children worked hard to write clearly and share their knowledge with their readers. Well done, Team 2.

Slam Dunks & Super Teamwork!

Our basketball team played on Tuesday 3rd February and, after a slightly hesitant start, produced a fantastic performance! There were slick passes, speedy dribbling, brilliant shots at goal and excellent teamwork throughout. The children encouraged one another, showed great sportsmanship and never gave up — a real joy to watch. A special well done to Harry (Team 6) for receiving the Fair Play Award for his strong, steady play.
Team 6: Harry, Bella, Chloe R
Team 5: Oscar, Jack P, Freddie, Jesse, Henry, Frieda, Freya, Elodie
Well done, everyone!

Number Day Fun

It was Number Day today and what a great success, with maths brought to life across the school through a wide range of creative and practical activities. Pupils explored numbers through art, puzzles, games and problem-solving challenges, including mathematical artwork, active maths games in PE and collaborative tasks. There was lots of enthusiasm, teamwork and curiosity on display, and it was wonderful to see children enjoying maths in so many different ways.
