Bringing Words to Life on World Book Day

World Book Day was a joyful celebration of reading! Children arrived dressed as a word, sharing brilliant and imaginative ideas inspired by books and language. All classes listened to a story read by an author and spent time talking about the books we love most. Pupils also decorated their own bookmarks to encourage more reading at home. Lorraine and Charlotte added to the fun with delicious book-themed cookies and cake at lunchtime. What a wonderful celebration of words.

Team 2 Visit Bury St Edmunds Cathedral

Team 2 had a fantastic trip to Bury St Edmunds Cathedral as part of their history learning about St Edmund. They travelled by coach and began the day by hearing the story

of St Edmund, which the children brought to life through improvised drama. They then explored the cathedral with the Edmund Trail and enjoyed the Abbey Garden Trail. In the afternoon, everyone got creative making wolf masks inspired by the legend. It was a fun and memorable day of history, drama and discovery!

Team 3 Get Cooking

On Monday, Team 3 rolled up their sleeves for a fun Design and Technology cooking session to make Noodle Salad! The

children learned about healthy food and where ingredients come from before preparing their own tasty dish. They practised important cooking skills such as chopping, mixing and combining ingredients safely. Everyone worked brilliantly together and showed great care in the kitchen. Cooking is a fantastic life skill and the delicious results made the classroom smell amazing!
