Team 6's Thorpe Woodlands Adventure!

Team 6 had an amazing time at their Thorpe Woodlands residential this week! It was a fantastic visit and we are incredibly proud of them all. The children threw themselves into every activity – caving, tree trekking, the zip line, canoeing, biking and even archery. Evenings were just as exciting, with campfires, talent shows and plenty of late-night chatting with friends. It was a brilliant adventure full of fun, teamwork and new experiences that they will remember for a long time!

Our Talented Young Musicians

We had a real treat on Thursday when our KS2 pupils performed a wonderful piano and violin concert for KS2 pupils and parents. The hall was filled with beautiful music and it was a joy to see the children perform with such confidence and enthusiasm. We are incredibly proud of their hard work and talent. A huge thank you goes to Rosie, our music teacher, for organising and preparing the children so brilliantly. It was a truly special performance and a lovely opportunity to celebrate our talented young musicians.

Team 3's Amazing Parent Assembly

Team 3 treated parents and staff to a fantastic assembly packed with learning and creativity. We watched Romans attack the Celts, enjoyed a maths demonstration, and listened to some wonderful head stories. There was even a live science experiment! We admired DT projects, learnt a little French, and watched brilliant stop-motion movies the children had created. It was a lively, impressive showcase of their learning. Well done, Team 3 – you were amazing!
