### Pond Life Party in Team One

Mrs Collins' uncle Mick visited this week with pond plants and some very exciting new arrivals—tadpoles and newts. Team One were thrilled and have set up a special tank in the classroom to carefully watch them grow and change over time. We are really looking forward to seeing them transform into froglets and then frogs. Our two newts have been named Nigel and Nicky—Nicky is even expecting babies very soon!

### A Step Back in Time with Constable

On Wednesday we welcomed Jackie and Fiona, who arrived in wonderful costumes from the John Constable era. They delivered an engaging assembly about his life and art, including famous paintings like The Hay Wain. Pupils loved learning how he painted the countryside and clouds. This year marks the 250th anniversary of his birth, making the visit extra special for everyone.

### Welcome Back Miss Scott

This week, we were delighted to welcome Miss Scott back to school following her maternity leave. She has been in school for three days and it has been wonderful to have her back. The children were incredibly excited to see her again and eager to share all their news. There have been lots of smiles and warm welcomes as she has settled back into school life, and we are all really looking forward to having her back as part of the team.
