Spring Smiles for School Photographs

It was lovely to welcome Rob the photographer to school yesterday to take our class photographs. The children enjoyed having their pictures taken outside beneath the beautiful Spring trees, which made a perfect backdrop for the photos. Peppa Pig even made a special appearance to help keep everyone smiling. All of the children looked incredibly smart and represented the school wonderfully. We cannot wait to see the finished photographs and are sure families will love them too.

Samba Beats Bring Our School to Life

Today, our school was alive with the sounds of Samba drumming. Every child had the chance to take part in a fun workshop, learning different rhythms, beats and performance skills. Throughout the day, the field was filled with energy, teamwork and lots of smiling faces. To finish the day, we held a fantastic performance assembly where classes proudly showed what they had learned to the rest of the school. A wonderful experience.
