A Silver Award Winning Year for Sport

We are thrilled to announce that our school has achieved the School Games Silver Mark Award for 2025/26. This fantastic achievement recognises our commitment to sport, teamwork and healthy competition. We are incredibly proud of all the children who represented the school in competitions this year, as well as our wonderful sports leaders, volunteers and staff who helped make events possible. A huge well done to everyone involved — what a brilliant sporting year we have had. We can't wait to aim even higher in 2027.

Netball Success

Our Netball Team represented East Bergholt CEVC Primary School brilliantly at a recent netball festival. The team showed fantastic determination, teamwork and resilience throughout the event, winning four matches and narrowly losing two. Pupils demonstrated excellent sportsmanship and encouraged one another superbly both on and off the court. It was wonderful to see their confidence grow with each game. We are incredibly proud of the whole team for their positive attitude and impressive achievement.

Trust, Teamwork and Outdoor Fun

Team 2 had a busy Thursday. The children enjoyed a fantastic Outdoor Learning session where they took part in blindfold games that needed great listening skills

and lots of trust in their partners. The children also made delicious overnight oats by the fire before enjoying eating them together outdoors. To finish the session, everyone spent time quietly listening to the sounds of nature around them, including birdsong, rustling leaves and the gentle wind through the trees. It was a calm, thoughtful and enjoyable afternoon for all.
