Can You Help Our Early Years?

Our Early Years children love learning through imaginative play, and we're looking for a few extra resources to enhance their

indoor and outdoor learning environments. If you have any of the following items in good, clean condition that you no longer need, we'd love to hear from you: Scaffold boards, sturdy log stumps (for balancing), toy vehicles and cars, faux flowers, placemats, small table and chairs (child-sized), small wok, cutlery or medium-sized rug. To help us avoid receiving duplicates, please email the school office before bringing any items in. Thank you for your continued support – your donations really do make a difference to our youngest learners!

Team 6's 'It's Your Move' Visit

On Thursday, Team 6 enjoyed a visit to St Mary's Church to take part in 'It's Your

Move', an engaging session designed to help prepare pupils for the exciting transition to secondary school. Through fun activities, discussions and practical advice, they explored what to expect when they start their new schools in September, from making new friends to finding their way around and settling into new routines. The session also reminded everyone that it's completely normal to feel a mixture of excitement and nerves about such a big change. We hope the children came away feeling more confident, reassured and excited for the next stage of their learning journey. We know they'll all do brilliantly!
