Amazing Ambassadors

This week, 21 wonderful Team 6 pupils took part in our School Ambassador interviews, and every single one was a credit to our school. Their confidence, enthusiasm and thoughtful answers made choosing incredibly difficult. We are delighted to congratulate our ten newly appointed Ambassadors. Yesterday, they completed their training and proudly led their first school tours for prospective parents. Our visitors shared fantastic feedback about their warm welcomes and confidence. A huge well done to all 21 applicants. Every child demonstrated courage, commitment and our school values. You should all feel incredibly proud of yourselves.

Dancing into Action

On Wednesday 7th October, Teams 3–6 had a fantastic time taking part in exciting dance workshops with Springs Dance Company! Through their amazing PARABLE experience, the children explored stories told by Jesus in a fun and creative way, using movement, dance and drama. They worked together to tackle challenges, express themselves and even help shape the story! There was plenty of energy, imagination and enthusiasm as everyone got moving and joined in the fun. What a brilliant way to bring learning to life. A huge thank you to Springs Dance Company for such a memorable experience.

Eco Council: Small Steps, Big Changes

Our enthusiastic Eco Council met with Mr Addison on Wednesday, ready to make our school greener. The children explored the Eco-Schools programme and completed a self-evaluation to discover where we can improve. Their exciting mission is to work towards earning the Eco-Schools Green Flag Award, recognising schools that care for our planet. Next, our eco-warriors will create an action plan to help make a real difference. They're also looking forward to meeting a hedgehog conservation expert on 21st October. Watch this space as our Eco Council helps make our school a greener, wildlife-friendly place.
